We will deliver useful information on creating comfortable, fashionable, high-functionality, and sustainable products.

1. NEW CORD LOCK "INFINITY DESIGN"

A newly designed compact and lightweight cord lock for sports apparel that is because of its weight reduction. Even if it is small, it does not impair operability and cord retention. In addition, considering that the smaller parts will be stressful for the people who work in the sewing factory, we have made it a symmetry factory-friendly design that does not hesitate in the direction of cord lock.
